

Rollerdrome Snack Bar Items

the **FUN SPOT**

Look inside for meals and snacks on the back!

Please Remember to keep all snackbar items in the snackbar. We are sorry for this inconvenience but this allows us to keep our building clean for our patrons.

There is no outside food or drink allowed in the rink at anytime as this allows us to keep our prices low for customers. Thank you and enjoy the new food items and feel free to offer suggestions of what else you would like to see on our menu. Enjoy!
