We are open for Public Sessions and also for Family Private Parties. We are a Skate at Your Own Risk Facility. What that means, is that we expect each customer to understand and weigh the risks for themselves. Customers take all the responsibility when entering our facility and dropping off their children. Personal accountability needs to be taken when deciding to come skating. RollerDrome is a Skate At Your Own Risk Facility. Each customer skating or not assumes all responsibility when entering our property or renting our skates.

We offer Hockey Programs, Speed Skating, Rollerderby, Artistic Skating and also Beginner Skating Classes. Come Join the FUN!

**Admission - \$10**

**Skate / Inlines - \$2**
